

Starting Friday, May 15, Pittsford Plaza can begin offering a curbside pick up option to customers. While the plaza is not entirely open to shoppers, they may order from you and pick items up outside at designated pick up locations.

Pittsford Plaza will have two designated Curbside Pick Up spaces at four locations. The signs look like this:

Curbside pick-up hours will be advertised as Monday – Saturday 11am-7pm and Sunday 12pm-6pm. Tenants may continue to offer curbside pick up on their current schedule and post those hours on their websites and social platforms.

Please see the attached map to determine which pick up location is best for your store so you can direct your customer to that location. Please advise your customers to remain in their vehicles and to contact your store upon arrival. This map is also available on our website.

You are encouraged to adhere to all recommended CDC guidelines when interacting with customers.

You must e-mail Pittsford Plaza Marketing Director, Clare Canavan, at ccanavan@wilmorite.com, if you wish to participate in this program. You may contact her for any questions regarding this program as well.

Curbside Pick Up available at indicated locations

- Park in designated spot
- Contact store upon arrival
- Stay inside your vehicle
