Project Value:
\$708,000

Project Duration:
March 29, 2010 - August 6, 2010

Wilmorite's Role:
General Contractor
www.wilmorite.com

Project Highlights:

The existing 3-story residence hall was renovated to provide a wet Fire Protection Sprinkler System throughout the entire building. Renovations were made to all the restrooms and shower facilities, kitchenettes/lounges, a new ADA entrance, and an ADA restroom were added in the formal lounge. All new finishings were installed throughout the entire building.
