INNOVATION HUB Research, Science and Optics

Rochester is home to over 150 leading businesses focused on optics, photonics, and imaging. Approximately 17,000 people are employed in Rochester in the optics industry. 60% of all optics degrees conferred in the U.S. are from right here in Rochester.

Ranked 13th among metropolitan regions for the number of patents issued per million residents. Comparable to San Francisco, Boston, Austin, Seattle, San Diego, Portland, and Minneapolis. (source: Brookings 2013 report "Patenting Prosperity")

Rochester ranked 18th among "The World's Leading Science Cities." (Scientific Reports)

ECONOMY & THE FUTURE

Rochester, N.Y.'s economy is one of the "Top 20 Strongest Performing Metro Areas in the country." (*Brookings Institution*)

The Rochester region is among the top 25 major metro exporting regions in the U.S.

(Based on per capita basis. Source: *Rochester Democrat and Chronicle*)

Rochester is home to 16 of the fastest growing private companies in Upstate New York

(Source: *Inc.*'s 2017 list of 5,000 fastest growing private companies in America)

NEARLY 1 IN 4 RESIDENTS IS A MILLENNIAL

"A new wave of people in their 20's and 30's are re-choosing Rochester... They're bringing with them a generation's signature brand of teamwork, tech savviness and impatience to revitalize the city they now want to call home."

(The Rochester Magazine 2016)

Town of Henrietta & The Marketplace

Henrietta, NY

- Known for its low tax base, which attracts new businesses and residents
- Home to Rochester Institute of Technology (19,734 students and staff)
- Golf Courses: Locust Hill Country Club (LPGA), Riverton Golf Club, and South Meadows Golf Club
- 10 public parks
- The Rochester Sports Garden, Bill Gray's Iceplex, and the Rochester Dome Arena Event Venues

A Mixed-Use Makeover

- University of Rochester Orthopaedics and Physical Performance Center opened on the former Sears site in 2023.
- Construction of the 4-story Marketplace Senior Apartments started in Spring 2023.
- Construction on the Former Macy's site to accommodate new big box tenant Floor & Decor was completed in 2023.

Orthopaedics and Physical Performance Center:

- New interior entrance from medical facility
- Existing project is an established, viable destination that attracts locals and visitors for food, shopping, entertainment, and services
- Remaining retail, restaurants, and entertainment = 804,806 sq. ft.

The Marketplace

The Marketplace is the most accessible destination in the market for shopping, food and entertainment. Situated at the hub of four main thoroughfares, it is arguably one of Rochester's most recognizable landmarks.

EASE OF ACCESS:

- Corner of Route 15 (W. Henrietta Rd) and Route 252 (Jefferson Road)
- ¼ mile from Interstate 390
- 3 miles from NY State Thruway I-90 (Exit 46)
- Six entrances/exits on/off the property
- RTS Public Bus stops on average every 12 minutes

Located at the heart of the highest retail concentration in the market.

Over 173,000 people work within a 5 mile radius, generating high lunch hour and happy hour traffic to the property.

Medical Redevelopment

Timeline:

- **Official Announcement:** November 18, 2019
- **Construction Start:** February 2021
- **Opened:** February 2023 with 200+ employees in 40,000 sq.ft. offices facing the mall common area.
- **Phase II:** Ambulatory Surgery Center opened Spring 2023.
- **Phase III:** Multi-story patient care tower with diagnostic imaging, clinic space, and other patient services opens January 1, 2024.

Project Overview:

The University of Rochester Orthopaedics and Physical Performance Center

- **\$240M** orthopaedics, outpatient clinics, ambulatory surgery, rehabilitation, therapy, and diagnostic imaging facility.
- **FITNESS SCIENCE AT CHAMPP** - Research based training, nutrition, and movement analysis to improve physical fitness and athletic performance serving high school and college athletes
- **SPORTS-SPECIFIC HEALTH CLINICS** - A combination of physical therapy, nutrition counseling and athletic training to prevent injury
- **WORKPLACE WELLNESS** - Using movement-capture technology and data analysis to identify workers risk of injury and employs individual wellness consultation to improve their health and safety.

Specifications:

- Completely new custom-built facility
- 340,000+ sq. ft. built on a 20.16 acre parcel/state-of-the-art medical facility
- 1,200 daily visits (patients & families)
- 1,000+ employees (medical, admin and support staff)
- All existing orthopaedics (six locations) will move to The Marketplace
- Town and County support project plans

THE IMPACT

Unique care facility will increase the draw of super regional/mixed-use project

Broad and diverse demographic with increased frequency of visits

A highly desirable audience of potential consumers with ample idle time
